

Zuzana Licko

1961 geboren in Bratislava, Tschechien. Sie kam im Alter von 7 Jahren in die USA. Nach einem Studium an der *Berkeley Universität* gründete sie mit ihrem Mann Rudy van der Lans 1984 *Emigre Design* und produzierte das *Emigre Journal*. *Emigre* wurde gegründet um Künstler, Fotografen, Dichter und Architekten vorzustellen. Mit dem neu auf den Markt gekommenen Apple Macintosh begann sie Schriften für das Magazin zu entwerfen. Bedingt durch die einsetzende Nachfrage nach diesen Schriften begann sie die Fonts ab Ausgabe 3 in Anzeigen anzubieten. 1985 gründeten sie dann *Emigre Fonts* um die Schriften professionell zu vermarkten und auch anderen Schriftdesignern eine Plattform zu bieten.
